## REMARKS

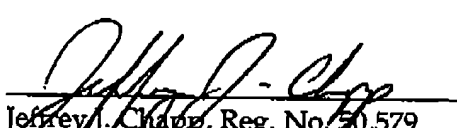

In the Office Action dated August 30, 2005, claims 6, 8-9, 11, and 15-30 are pending. The Office Action states that the claims are directed to separate and distinct inventions and for that reason an election is required and a restriction for examination purposes is proper.

The Office Action groups claims 6, 8-9, 11, and 15-30 into a Group I having claims 6, 8-9, 11, and 15-23 and into a Group II having claims 24-30. The Office Action states that Group I is drawn to a display device, classified in class 40, subclass 594 and that Group II is drawn to a method of hanging/manufacturing a wall covering, classified in class 29, subclass 428. Applicants elect Group I without traverse.

Should the Examiner have any questions or comments, he is respectfully requested to contact the undersigned attorney.

Respectfully submitted,

ARTZ & ARTZ, P.C.
